PROFESSIONAL SUMMARY

Java Full Stack Developer with 4+ years of experience building enterprise web applications and REST APIs using Java, Spring Boot, Microservices and React.js. Built API migration tooling for TIBCO API Management and delivered full-stack applications from database design to responsive UI. M.Tech in Computer Science; ServiceNow Certified System Administrator (CSA) and Certified Application Developer (CAD).

TECHNICAL SKILLS

Languages: Java, SQL, JavaScript, TypeScript, HTML, CSS
Backend: Spring Boot, Microservices, REST APIs, Spring Security, Hibernate, Spring XML
Frontend: React.js, Angular, Tailwind CSS, Bootstrap
Databases & Messaging: MySQL, Oracle SQL, PostgreSQL, Redis, Kafka
DevOps & Tools: Docker, Jenkins, Git, Maven, Gradle, SonarQube, Postman, AWS DevOps
Platforms: ServiceNow, TIBCO API Management, OpenAI API
Practices: Agile, Unit Testing, Code Reviews, Debugging and Refactoring

PROFESSIONAL EXPERIENCE

Software Engineer, HCLTech
Mar 2025 – Present | Hyderabad & Vijayawada, India

- Develop and maintain scalable enterprise software solutions using Java, improving system stability through proactive debugging and refactoring.
- Optimize backend performance to improve API response times for core service modules.
- Collaborate with cross-functional teams in an Agile environment to deliver features on schedule.

Java Software Developer, Sage IT
Jan 2023 – Jul 2024 | Hyderabad, India

- Engineered a version migration tool for TIBCO API Management software using Java and Spring XML to automate manual migration work.
- Designed and implemented RESTful APIs supporting internal accelerator tools for cross-platform data workflows.
- Developed SHIP AI (Sage IT Hub for Integration Platforms) to automate project migration between TIBCO BW6, MuleSoft and WSO2, using the OpenAI API to generate XML configurations; tested with Postman and SoapUI.
- Used Spring Boot and Hibernate for backend architecture and MySQL for database management.

Associate Java Developer, LanceSoft India Pvt. Ltd.
May 2022 – Jan 2023 | Hyderabad, India

- Developed a full-stack Hotel Management Application using Java Spring Boot and React.js.
- Built responsive front-end interfaces with HTML, CSS, JavaScript and Bootstrap.
- Managed data persistence and complex queries using MySQL and Oracle SQL databases.

PROJECTS

IntelliMeet AI | Java 17, Spring Boot, WebSocket, WebRTC, React, PostgreSQL, FastAPI

- Video conferencing application with live transcription, AI meeting summaries, link extraction and a Q&A assistant for meeting content.
- Peer-to-peer WebRTC calls with WebSocket (STOMP) signalling and a Python FastAPI service for the AI features.

Microservices E-Commerce Platform | Java, Spring Boot, Angular, Kafka, Redis, Docker

- Spring Boot microservices with Eureka service discovery, Zipkin distributed tracing, Kafka messaging and Redis caching.
- Razorpay payment integration and a CI/CD pipeline with Jenkins, SonarQube and Docker.

VCIOUS – Hotel Management System | Java, Spring Boot, React, MySQL, Twilio

- Full-stack web application with room booking, customer management and multi-branch support.
- Spring Security authentication, Twilio SMS verification and Spring Mail email notifications.

Polling Application | Java, Spring Boot, React, Spring Security, Docker

- Web-based polling system to create polls and vote, with real-time result updates.
- Admin and User dashboards with role-based access control through Spring Security.

CERTIFICATIONS

- ServiceNow Certified System Administrator (CSA) – Dec 2025
- ServiceNow Certified Application Developer (CAD) – Oct 2025
- Google Cloud: Deploy an Agent with Agent Development Kit (ADK) – Nov 2026
- Google Cloud: Evaluate and Improve Agent Development Kit Agents – Nov 2026
- Google Cloud: Accelerate Development with Antigravity – Nov 2026

EDUCATION

Master of Technology (M.Tech), Computer Science
VNR Vignana Jyothi Institute of Engineering & Technology, Hyderabad, India | Jan 2021 – Sep 2023

Bachelor of Technology (B.Tech), Computer Science & Engineering
Bennett University, Greater Noida, India | 2016 – 2020
